Rotation and activity schedules are designed to avoid multi-group interactions in common areas such as hallways, stairwells and bathrooms. After-School programs promote our three key areas: Academic Success and Enrichment, Character Development, and Healthy Lifestyles. Each group has time for additional activities for gross motor skills, arts and crafts, board games, small group activities, STEM and educational opportunities.

The completed membership application authorizes the Club staff to seek medical treatment for a member, if necessary. In the event of a serious injury, the staff will call 911 immediately and then call the parents/guardians or alternative emergency contacts. This is one more reason why updated contact information is your responsibility and crucial to your child's well-being.

### Behavior Policy & Member Expectations

The Boys & Girls Club is committed to providing the best Club experience for all members. We strive to create a positive Club environment, to foster member development and promote positive interaction among our members, staff and volunteers.
