

BOYS & GIRLS CLUB
OF GREENWICH

Opportunity Starts Here

ANNUAL REPORT 2026

OUR MISSION

To prepare young people, through enrichment opportunities and supportive relationships, to be responsible, caring and productive community members.

OUR VISION

Where youth go to find their greatness.

BOYS & GIRLS CLUB
OF GREENWICH

Dear Friends and Supporters,

At Boys & Girls Club of Greenwich, we believe opportunity can change the course of a young person's life. It can begin with learning to swim, discovering a love of science, finding the confidence to speak in front of a crowd, meeting a caring mentor, or simply having a safe place where you know you belong.

Opportunity Starts Here.

This past year brought that promise to life in remarkable ways. With our newly renovated Rebecca S. Breed Clubhouse fully open, our members had more space to learn, create, compete, connect, and grow. But the true impact of the Club is found in what happens within its walls, in the relationships, experiences, and possibilities our young people discover every day.

Throughout this Annual Report, you will see that impact reflected across the four pillars that guide our work: **Health & Well-being, Character & Leadership**, **Academic Success**, and **College & Career Readiness**. Our members are building healthy habits, developing confidence and leadership skills, embracing learning, and preparing for college, careers, and bright futures.

The numbers tell an important story:

- **98%** of Club kids say they enjoy being physically active.
- **97%** believe they can stand up for what they think is right, even when friends disagree.
- **95%** say they enjoy learning new things.
- **100%** of our members graduated from high school in 2026.

Behind every percentage is a young person discovering what they are capable of achieving.

We saw that potential throughout the year—from **Joell Molina being named Connecticut Youth of the Year**, to teens attending the National Keystone Conference, to members receiving college scholarships, gaining professional experience through internships, and giving back through 625+ hours of community service.

We also celebrated together. From Sunset Beach and Youth of the Year to our Thanksgiving Feast, Pancake Breakfast, Holiday Party, Swim-a-Thon, and Awards Night, these gatherings reminded us that BGCG is a community where young people, families, and supporters gather to realize and create opportunities in Greenwich.

As one parent shared, "Getting a membership for our daughter was the best decision we ever made."

Those opportunities are possible because of you. To our donors, volunteers, partners, staff, families, and friends: thank you for believing in our young people and investing in their futures.

Together, we are opening doors, expanding possibilities, and ensuring that every young person who comes to Boys & Girls Club of Greenwich has the opportunity to build a great future.

With gratitude,

Cristina Vittoria
Chief Executive Officer

Sarah Osnoss
Chair, Board of Directors

BGCG Impact

THE NEED

For Greenwich families, the hours between the end of school and the end of the workday are some of the most important hours for a young person, and some of the hardest to fill. Many programs can offer a place to be. Far fewer are affordable, accessible, and built to shape who a young person becomes. Every child deserves a safe, welcoming place to learn, stay active, make friends, and build relationships with caring adults, regardless of what their family can pay.

THE SOLUTION

Boys & Girls Club of Greenwich fills the gap between school and home and does it differently. **With membership at just $95 a year, we remove the financial barriers that weigh on parents.** Snacks, transportation, homework help, swim lessons, arts, soccer, financial literacy, computer programming, and STEM classes are all included in the yearly membership. No hard choices about which activity a child gets to join.

No other after-school program in Greenwich offers this breadth under one roof. On a typical day, 350+ youth arrive by bus, eat a healthy snack, and choose from a full range of programs, with enrichment offerings like community sports leagues and wellness classes running until 8:00 p.m.

Underneath it all, character development is at the center of everything we do. Our staff know each young person by name, encourage them, and believe in their potential, so kids leave the Club with more than a good afternoon. They leave with confidence, purpose, and lasting relationships with adults who care.

The Club is open Monday-Friday, 2:30-8:00 p.m., and 8:00 a.m.-5:00 p.m. during school vacations and summer, serving youth ages 6-18.

1,763 members ages 6-18

+ 1,500 additional community youth

3,263 total youth served

$139,600
in reduced fees and financial assistance enabled children to attend summer camp

RETURN ON INVESTMENT:

Every **$1.00** invested in Boys & Girls Clubs in Connecticut returns **$10.32** in future earnings and cost savings for communities across the state.

Connecticut Alliance of Boys & Girls Clubs Social Impact Calculation

Health & Well-being

Throughout the year, BGCG continued to promote the well-being of youth through Healthy Lifestyles programming designed to help members build healthy habits, stay active, and develop lifelong commitments to fitness and wellness. Tailored for both youth ages 6–12 and teens ages 13–18, these programs encouraged members to make positive choices related to nutrition, physical activity, mental wellness, and overall healthy living.

This year, the Club introduced a new in-house nutrition program featuring healthy snacks prepared fresh each day for members, along with nutritious lunches served during school holiday and vacation programs, encouraging smart food choices and lifelong healthy habits. During Mental Health Awareness Month in May, members participated in activities and conversations that promoted emotional well-being, self-care, and resilience. Through **FREE** year-round swim lessons, aquatics programming, and the Barracuda Swim Team, youth built lifelong water safety skills while staying active, developing confidence, and embracing healthy lifestyles.

During the year, BGCG engaged more than 725 youth in Healthy Lifestyles programming and provided countless hours of fitness, wellness, and recreational activities. Through these efforts, BGCG continues to help young people build healthier futures.

98% of Club kids say they enjoy being physically active

96% of Club kids say it is important for people to talk about how they feel

94% of Club kids say they take care of their feelings and emotions

Stats from 2026 National Youth Outcomes Initiative survey of Boys & Girls Club of Greenwich members.

> The Boys & Girls Club showed me that belonging isn't something you're born into; it's something you build, together, in places like this one where love and support await at any door. I'm proof that when you give a kid a place to belong, you give them everything.
>
> *–Joell Molina, 2026 State of Connecticut Youth of the Year*

Character & Leadership

This past year, we continued to empower young people through Character & Leadership Development programs that inspire service, confidence, and personal growth. Through Torch and Keystone Clubs, Youth of the Year, and a variety of community service initiatives, Club members developed leadership skills while learning the importance of giving back to their communities. This summer, our teens attended the National Keystone Conference in Orlando, where they connected with peers from across the country, strengthened their leadership abilities, and explored ways to create positive change in their communities.

BGCG youth also dedicated over 625 hours of community service projects across the area, supporting local initiatives focused on hunger relief, suicide prevention, neighborhood beautification, and community engagement. These experiences helped members build empathy, teamwork, and a deeper sense of responsibility as future leaders.

A highlight of the year was celebrating **Joell Molina as BGCG's 2026 Youth of the Year**, as well as **State of Connecticut Youth of the Year**. Joell exemplifies resilience, leadership, academic excellence, and service, representing the impact Boys & Girls Clubs have on empowering young people to reach their full potential.

Through these transformative experiences, BGCG continues to develop compassionate leaders who are prepared to make a lasting difference in their schools, communities, and beyond.

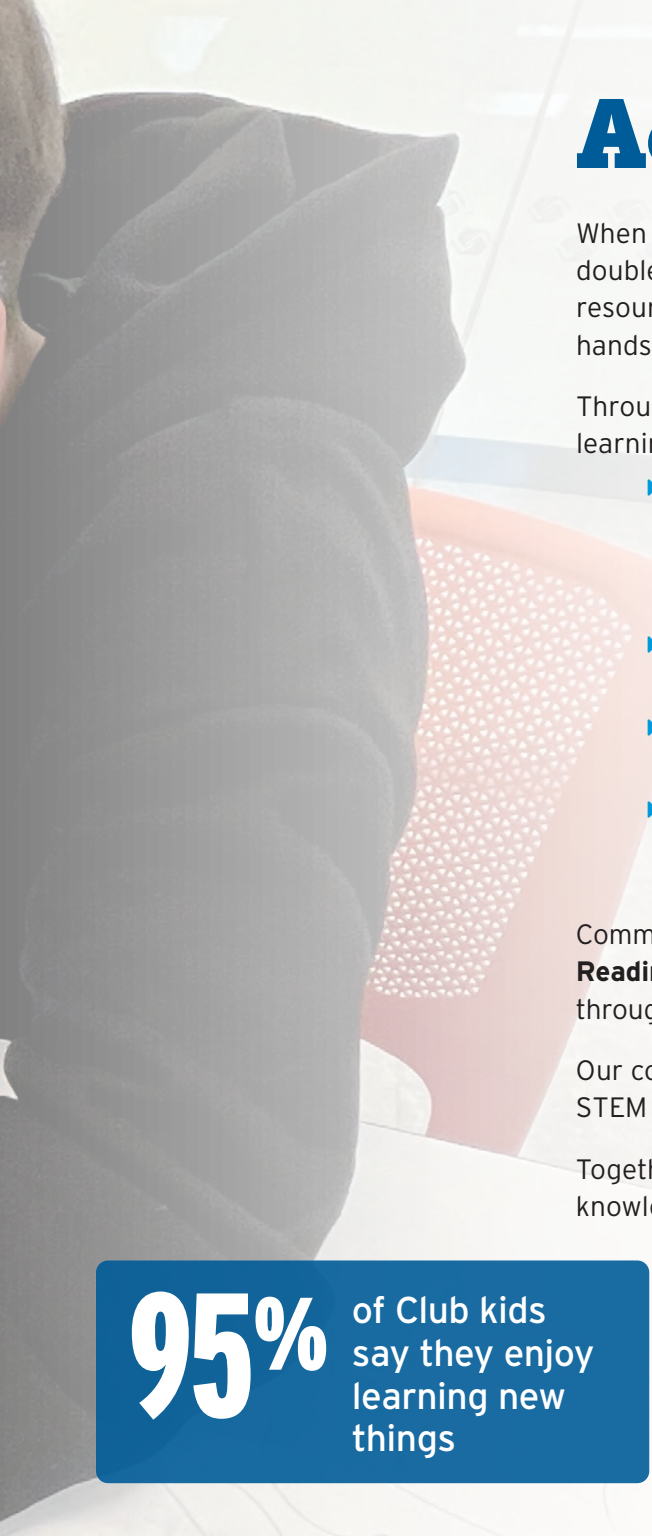

97% of Club kids believe they can stand up for what they think is right, even if their friends disagree

96% of Club kids say they care about other people's feelings

70% of Club kids are involved in Club-based service

Stats from 2026 National Youth Outcomes Initiative survey of Boys & Girls Club of Greenwich members.

Academic Success

When our renovated Clubhouse reopened in September 2025, the space dedicated to learning and instruction doubled, creating new opportunities for academic enrichment and exploration. With expanded facilities and resources, we strengthened our commitment to providing every child with access to literacy, STEM, and hands-on learning experiences that inspire curiosity, build confidence, and support academic achievement.

Throughout the year, Club members engaged in a wide range of programs and experiences designed to make learning meaningful and fun:

- **BGCG Advance Program:** Provided elementary school members with year-round academic support and enrichment opportunities designed to strengthen literacy and math skills, help students achieve or exceed grade-level proficiency, and build confidence for continued academic success. Following the completion of a successful three-year pilot, the program will be relaunched this year.
- **Hands-On STEM Learning:** Club members explored science and the natural world through engaging activities, including a bird count conducted alongside educators from **Greenwich Audubon**.
- **Academic Support:** During final exam season, teens benefited from dedicated study time and academic assistance to help them prepare for exams and finish the school year strong.
- **Literacy and Reading:** Expanded book distribution efforts, in partnership with **Greenwich Alliance for Education,** helped put more books into the hands of young readers, encouraging a love of reading beyond the classroom.

Community partnerships further enriched all of these these experiences. Through **Greenwich United Way's Reading Champions program**, dedicated volunteers met weekly with 29 elementary school members throughout the school year, providing individualized support to strengthen reading fluency and comprehension.

Our collaboration with the **Bruce Museum** brought educators directly into the Clubhouse to lead interactive STEM lessons, introducing members to scientific concepts through hands-on activities and discovery.

Together, these programs, partnerships, and expanded learning spaces are helping Club members develop the knowledge, skills, and confidence to succeed in school and beyond.

95% of Club kids say they enjoy learning new things

94% of Club kids believe they can do well in school

85% of Club kids say they are curious to learn more about science, computer, or technology

EXIT

College Readiness: Preparing for College

Preparing members for success after high school begins long before graduation. Throughout the year, BGCG provided a comprehensive network of academic support, college preparation, and mentorship designed to help every young person reach their full potential. From **Power Hour** and **Summer Brain Gain** to **SAT preparation**, **college essay workshops**, and **individualized guidance**, members developed the knowledge, confidence, and skills needed to pursue higher education.

A cornerstone of this work is the Club's longstanding partnership with **Morgan Stanley's Equity Collective**, whose volunteers generously share their time and expertise through resume workshops, career conversations, financial literacy programming, and college readiness initiatives. Members also benefit from the unwavering support of **Dr. Steve Yavner**, BGCG's Teen Academic Advisor, whose commitment to our youth extends far beyond tutoring. Through weekly academic support, essay coaching, public speaking lessons, and one-on-one mentorship, Steve has helped countless members navigate the college application process while inspiring them to believe in their own potential.

Together, these opportunities ensure that every member has access to caring mentors, valuable resources, and the encouragement needed to prepare for college and a bright future.

100% of BGCG members graduated from high school in 2026

Career Readiness: Launching Great Furures

At Boys & Girls Club of Greenwich, we believe every young person deserves a plan for a successful future. Whether that path leads to a four-year college, vocational school, military service, or directly into the workforce, our goal is to help members explore their interests, discover opportunities, and develop the confidence and skills to pursue their ambitions.

Through academic guidance, career exploration, mentorship, and financial assistance, BGCG helps young people take meaningful steps toward their goals. This year, several programs and partnerships reinforced that commitment:

- **SVP Scholars Program:** Through our long-standing partnership with Strategic Value Partners (SVP), a global alternative investment firm, five outstanding members are selected annually to receive mentorship, financial assistance, and ongoing guidance throughout their college years. BGCG is proud to have 25 SVP Scholars benefiting from this transformative partnership.
- **Career Exploration and Internships:** Partnerships with local businesses provide members with opportunities to gain professional experience, develop workplace skills, and explore potential careers. This year, Fortress Investment Group offered two summer internships, giving Club members valuable firsthand experience in a professional setting.
- **College Scholarships:** BGCG's renewable College Scholarship Program helps make higher education more accessible by providing financial assistance throughout students' college years. This year, 54 students received a combined $420,000 in scholarships, recognizing their achievements, perseverance, and potential.

Our commitment to young people doesn't end at high school graduation. By connecting members with resources, relationships, and opportunities that might otherwise be out of reach, BGCG helps them navigate the transition to adulthood and build a foundation for meaningful careers and successful futures.

94% of Club kids say that when they grow up, they can have any job they want to have

88% of Club kids say they know what career they want to work toward

SUMMER 2026:

A Season of Growth and Adventure

Summer 2026 marked an exciting new chapter at Boys & Girls Club of Greenwich. For the first time in two years, Clubhouse Camp returned to the newly renovated Rebecca S. Breed Clubhouse, expanding BGCG's summer offerings alongside Teen Camp at the Clubhouse and Camp Simmons at our outdoor property on Lake Avenue. Together, our three camp experiences gave young people opportunities to learn, explore, build friendships, and grow.

At **Clubhouse Camp**, our transformed facility became a vibrant summer home for swimming, sports, art, games, and enrichment. Campers ventured into the community for field trips to Island Beach and the Bruce Museum, while educators from the Greenwich Historical Society visited each week, bringing local history to life through engaging, hands-on activities.

Across 77 wooded acres, **Camp Simmons** continued traditions that generations of Greenwich children have enjoyed. Days were filled with swimming, canoeing, hiking, sports, art, and outdoor exploration, along with favorite special events and weekly visits from our Celebrity Chefs. Together, these experiences encouraged campers to try new things, connect with nature and simply enjoy being kids.

For older youth, **Teen Camp** offered greater independence and adventure. Field trips provided opportunities to challenge themselves and strengthen friendships, including a new highlight at the L.L.Bean Outdoor Discovery Center, where teens experienced kayaking, archery, and other outdoor activities.

Leadership development was also a major part of the summer. Our robust **Counselors-in-Training** program gave teens meaningful opportunities to work alongside camp staff, serve as role models for younger campers, and develop skills in communication, teamwork, professionalism, and leadership.

Across every camp, the goal extended beyond summer fun. Camp gave young people a place to belong, discover new interests, build confidence, and create the friendships and memories that make summer at BGCG so special.

2026 Summer Camp By the Numbers

475 Camp Simmons Campers *(45 attended all 8 weeks of Camp)*

250 Clubhouse Camp Campers *(44 attended all 8 weeks of Camp)*

65 Teen Campers *(6 attended all 8 weeks of Camp)*

57 Counselors-in-Training (CITs)

8 weeks of Camp

$139,600 in campership fee discounts

23% of all campers received some level of reduced fees

5 former Youth of the Year recipients served as Celebrity Chefs

40+ field trips and outings for Teen Camp

34 fish caught at Camp Simmons *(large mouth bass, blue gills and sunnies)*

84 Eastern Painted Turtles spotted at Camp Simmons

8,112 ice pops eaten by campers and staff

51 6-year-olds learned to swim across the deep end of the pool

28 gallons of paint used in art projects

847 camper memories made to last a lifetime

Donor Appreciation Party

JUNE 3, 2026

Thank You to Our Donors!

Boys & Girls Club of Greenwich depends on the generosity of contributions to provide the wide range of programs and services to its members. We are proud to list the names on these pages of those who provided operational support by making a donation during this fiscal year.

Gifts from July 1, 2025 – June 30, 2026

These contributions include new philanthropy to the Building Great Futures Capital Campaign since our last annual report. Please see the key, at right, that highlights these special supporters.

Annual Benefit

SEPTEMBER 5, 2025

The 2025 Boys & Girls Club of Greenwich Annual Benefit, **Sunset Beach**, marked a memorable milestone as the Club's first major fundraising event held in the newly renovated Rebecca S. Breed Clubhouse. More than 450 guests gathered for a spectacular Hamptons-inspired evening in support of Greenwich youth, transforming the Clubhouse into a vibrant celebration of community and opportunity.

Under the leadership of **Benefit Co-Chairs Lauren Corrinet and Jacqueline Dimitri**, attendees enjoyed exceptional cuisine, signature cocktails, and an evening of dancing while celebrating the Club's mission to provide a safe, supportive, and enriching environment for children.

The event was both a joyful homecoming and a powerful demonstration of community support. Thanks to the generosity of the benefit committee, patrons, sponsors, and supporters, Sunset Beach raised critical funds that help ensure Greenwich youth have access to life-changing programs and caring mentors.

Thanksgiving Feast

Warmth, laughter, and the scent of a classic Thanksgiving meal filled the new gymnasium at the Rebecca S. Breed Clubhouse as more than 350 Boys & Girls Club of Greenwich members came together for the Club's 23rd Annual Thanksgiving Feast.

Guests enjoyed a festive meal prepared by **On The Marc Events** and served by an enthusiastic team of volunteers, including board members, local first responders, community partners, and school administrators. This much anticipated gathering was generously provided by: Sageview Capital, On The Marc, Axiom Investors, Michael Creamer, The Evergreen 21 Group at Morgan Stanley, the Hilton Family, Stew Leonard's, and Titan Advisors.

DECEMBER 6, 2025

Pancake Breakfast

Hundreds of Club kids and community members joined Santa for copious stacks of pancakes and shared their wish lists with Old Saint Nick. Board members kept the griddles hot and the pancakes and sausage coming all morning to feed the hungry crowd, while volunteers helped attendees with gingerbread house decorating, and holiday-themed arts & crafts. A special thank you to our sponsors: An anonymous donor, Axiom Investors, Cerbone's Bake Shop, Jose & Fernando Cuartas, Dunkin', Jarombek Family, Schacter Family, Stop & Shop, Summer Rain, and Upper Crust Bagel Company.

Holiday Party

The spirit of the season was alive and well at our Kids Holiday Party! From beautifully chosen gifts to tables overflowing with festive treats, hands-on crafts, card-making, and time to connect and celebrate together, every detail helped create unforgettable memories. Kids went home with special gifts for themselves and thoughtful presents they could give to their loved ones, spreading the joy even further.

We are incredibly grateful to the volunteers who make this beloved tradition possible year after year. Your generosity and heart are what make moments like this so special for our Club kids.

JANUARY 31, 2026

Swim-a-Thon

Alumni, members, staff, and Barrcuda swim team members filled the Club's pool, swimming more than 1,100 laps at our 20th Annual Swim-A-Thon. Thanks to swimmers, sponsors, and donors, our community's youth will continue to have fun learning the fundamentals of swimming and water safety because we raised over $20,000 to benefit these programs! SPECIAL THANKS to our sponsors: Custom Aquatics, Clare Zecher Coaching, Gabelli Funds, Kirkpatrick Family, Next Level Private, and ZAC Foundation!

APRIL 22, 2026

Youth of the Year

The sold-out 58th Annual Youth of the Year Celebration was a joyful and inspiring night for our entire community. We were proud to celebrate an extraordinary group of young people and supporters, including our 2026 Jr. Youth of the Year, **Aaliyah Williams**; our 2026 Youth of the Year, **Joell Molina**; and **Ryder King**, recipient of the 2026 David Ogilvy Award for Character, Kindness, and Integrity. The following month, Joell was selected as the 2026 State of Connecticut Youth of the Year. We also had the privilege of honoring our 2026 Champion of Youth, **Tony Mann**, and our Community Impact Volunteers, **Nancy Risman** and **Richard Browne.**

We are deeply grateful to our sponsors whose generosity made the evening possible. We also extend our sincere thanks to our patrons, supporters, and all who purchased tables and tickets, as your support is what brings our mission to life.

MAY 14, 2026

Awards Night

Family and friends gathered in the Mann Family Gymnasium at the Clubhouse for the 58th Annual Boys & Girls Club of Greenwich's Awards Night. The event honors club members who are outstanding in their areas of choice. A program staff member spoke about each individual Club member and their exceptional achievements before presenting them with a special plaque, and a certificate of special recognition from the First Selectman's Office.
