BOYS & GIRLS CLUB
OF GREENWICH

FUTURE READY

ANNUAL REPORT 2025

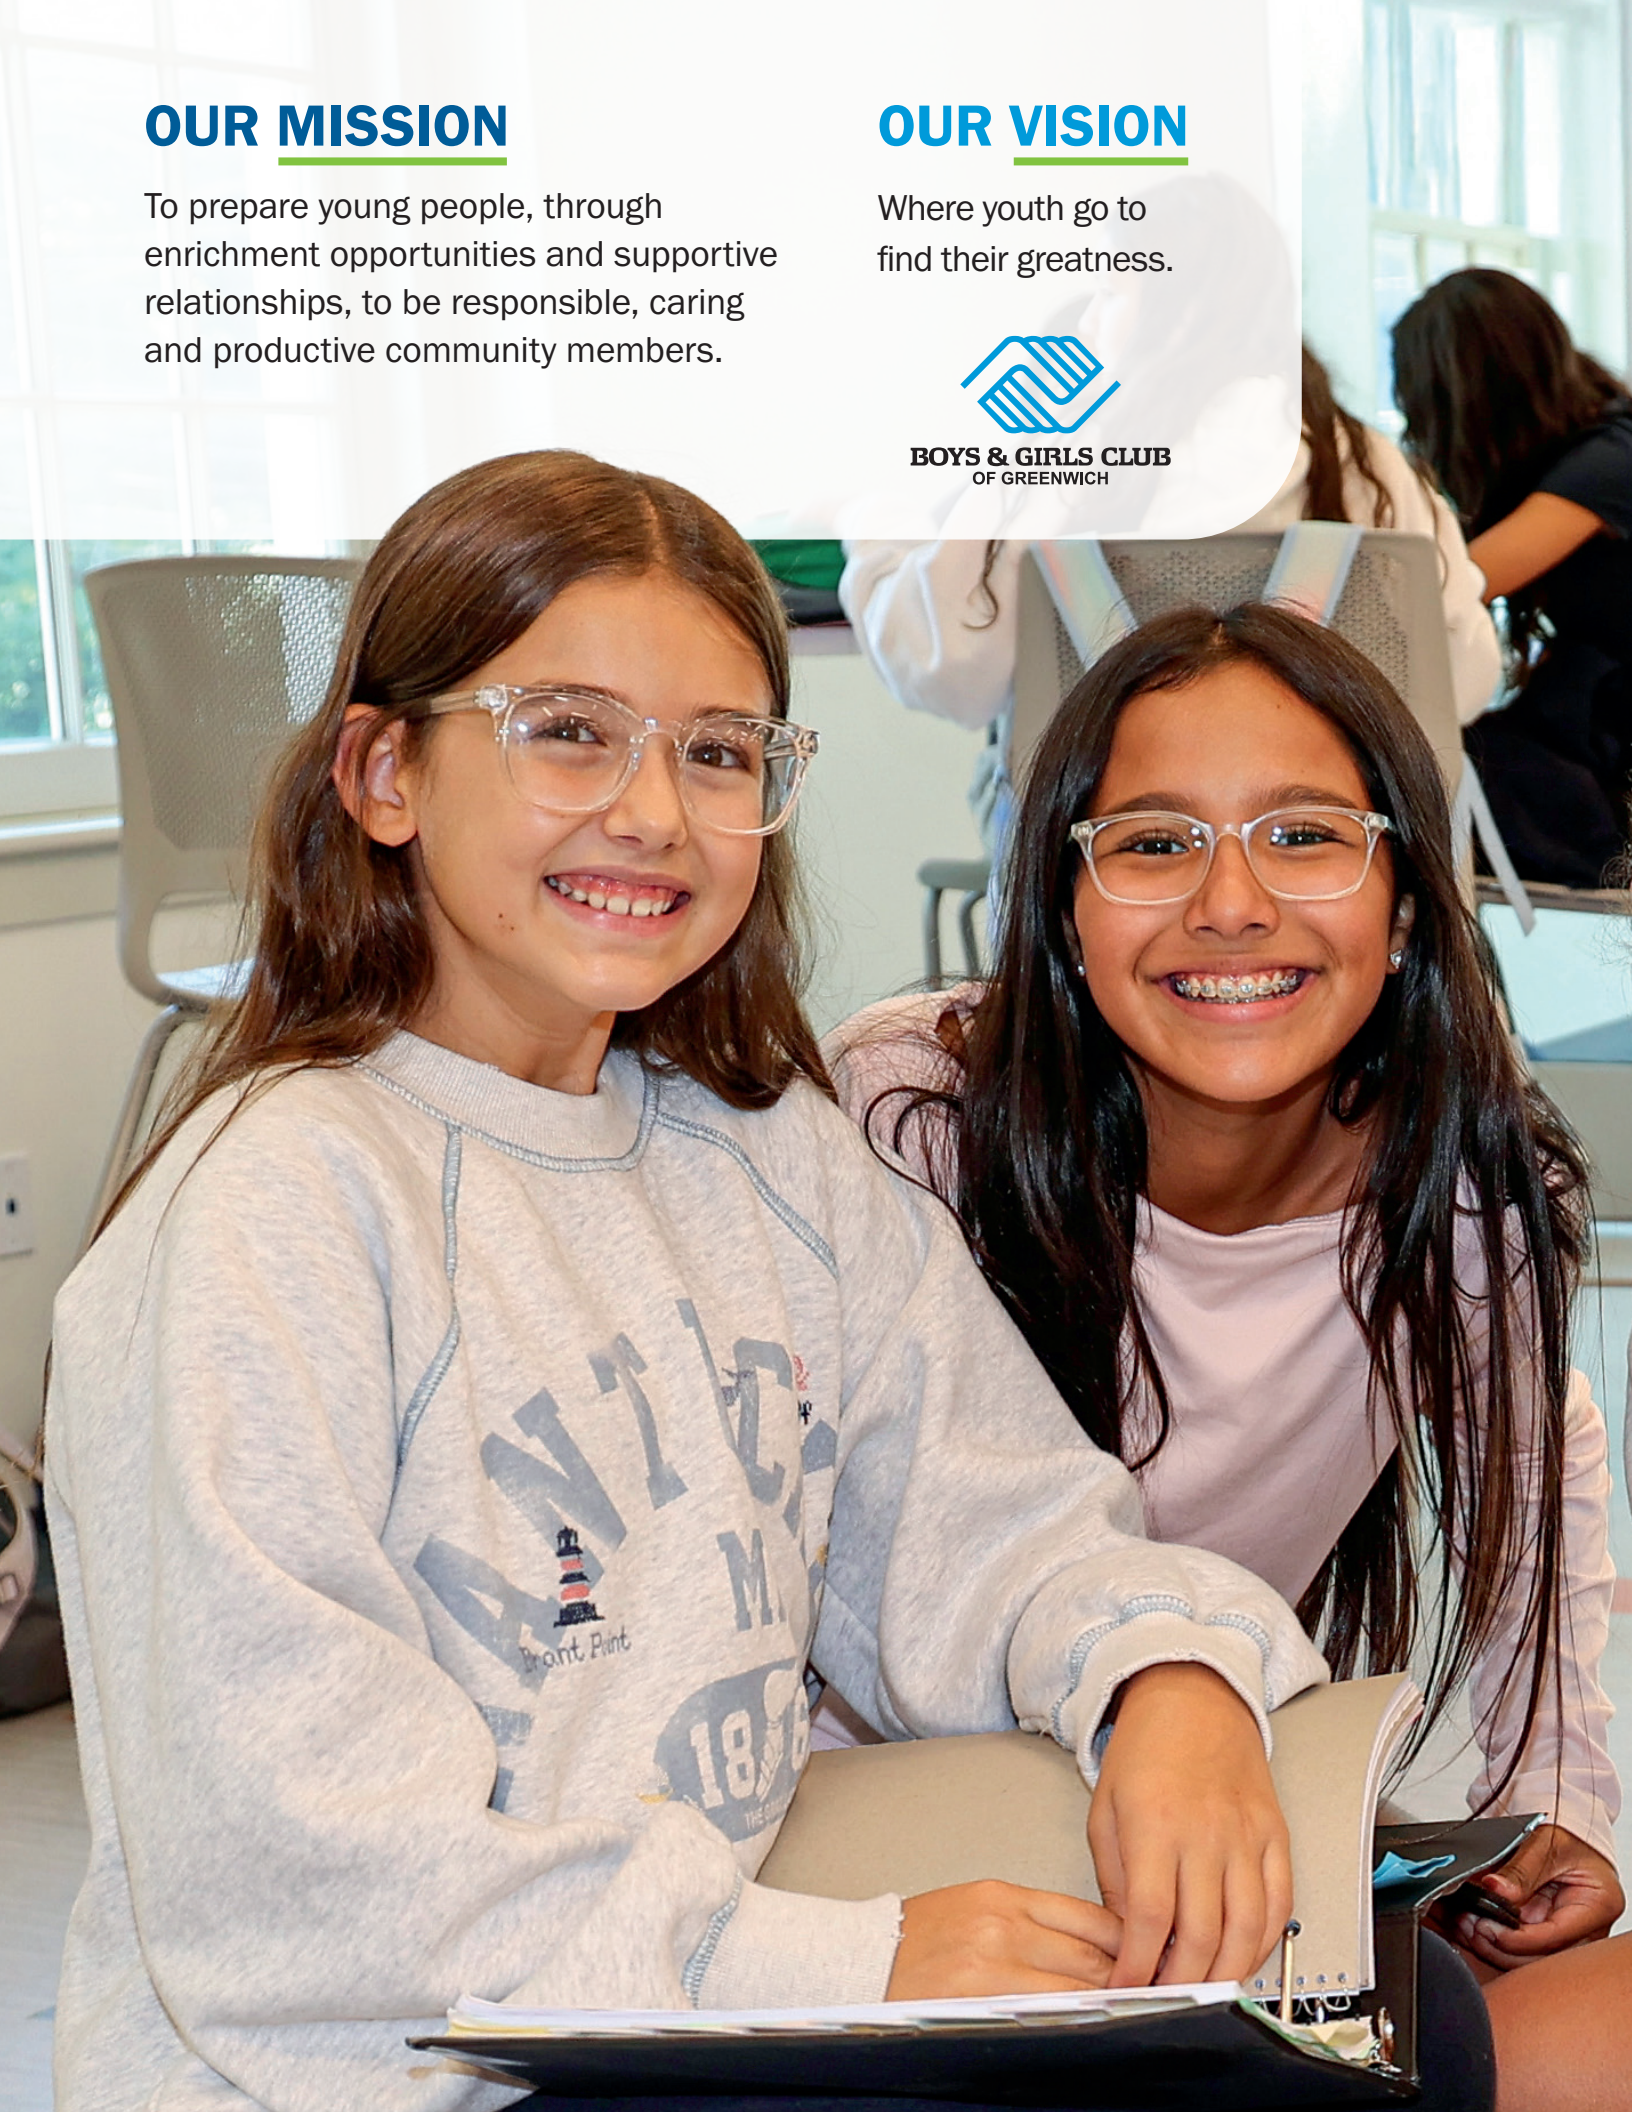

OUR MISSION

To prepare young people, through enrichment opportunities and supportive relationships, to be responsible, caring and productive community members.

OUR VISION

Where youth go to find their greatness.

BOYS & GIRLS CLUB
OF GREENWICH

Dear Friends and Supporters,

This year marked a defining moment in the 115-year history of Boys & Girls Club of Greenwich. With the successful completion of our long-awaited renovation and expansion, we have not only transformed our physical space but also positioned our Club, our staff, and our youth to be **Future Ready.**

When we first envisioned this project, our goal was clear: to create a modern, welcoming environment that could meet the needs of today's young people while preparing them for the opportunities and challenges of tomorrow. **Thanks to the extraordinary generosity of our donors, community partners, and friends, that vision is now a reality.**

Walking through the **Rebecca S. Breed Clubhouse** today, you can feel the energy and excitement. The bright, open spaces are filled with possibility. From classrooms designed for innovation and collaboration, to areas that support wellness, creativity, and leadership, every corner of **our new facility reflects our commitment to the children and families in Greenwich.**

But being **Future Ready** goes beyond the walls of our Clubhouse. It's about preparing young people with the tools, experiences, and confidence to navigate an ever-changing world. Our expanded programs, from academics and arts to college and career readiness, are designed to do just that. And our exceptional staff, trained and inspired to mentor with purpose, continue to guide our members toward their full potential.

As we move into this exciting new chapter, we do so with deep gratitude. The completion of our building project represents what we can achieve together when a community unites behind the shared belief that **every child deserves a safe and affordable place to learn, grow, and thrive.**

Watching over 300 children and teens walk through our new doors each day reminds us that the future is bright. Thanks to your support, Boys & Girls Club of Greenwich is ready to help galvanize the energy and potential of all young people.

Last year, our programs helped 66 young adults secure college and vocational scholarships, delivered homework help to over 200 children every day, and provided access to free swim lessons, sports, and fitness programs, making a real difference in the lives of our members.

Together, we are shaping not only the next generation of leaders but also a stronger, more compassionate community.

With heartfelt appreciation,

Cristina Vittoria
Chief Executive Officer

Sarah Osnoss
Chair, Board of Directors

Future Ready Starts Here

During the second year of our Clubhouse expansion, BGCG partnered with the Greenwich community to ensure uninterrupted programming. Despite space constraints, we were proud to serve youth at our satellite locations.

Boys & Girls Club of Greenwich bridges the gap between school and home by providing safe, welcoming spaces where members build supportive relationships, explore life-changing programs, and simply have fun. The Club always removes financial barriers to welcome all families, because we believe every child should have access to enriching out-of-school programs.

BGCG IMPACT

While out of our Clubhouse, we continued to serve youth at multiple locations. **225+ youth** arrived at the Club by bus, ate a healthy snack, and participated in supervised games, homework help, sports, or arts & crafts. Additional activities, such as soccer, swimming, financial literacy instruction, computer programming, and STEM classes were included in the **$75 annual membership fee**.

The Club remained open after school, **Monday-Friday**, during school vacations and holidays from 8 a.m.-5 p.m., and during the summer from 8:00 a.m.-5:00 p.m., serving youth ages 6-18. Enrichment programs such as community sports leagues and wellness classes were offered until 8:00 p.m.

1,023* members ages 6-18, including **215** teen members

640+ youth attended summer camp

$75
annual membership fee for Greenwich residents and $175/year for nonresidents with a parent working in Greenwich

$102,100
in reduced fees and financial assistance enabled children to attend summer camp

$463,500
awarded to 66 members for college and vocational scholarships

100%
high school graduation rate for Greenwich Club members

15
Greenwich public schools and independent schools from which youth come to BGCG

**Note:* Due to the Clubhouse's renovation and expansion, program operations were revised for the 2024-2025 school year.*

Future Ready at Boys & Girls Club of Greenwich

Boys & Girls Clubs of America's **Future Ready** initiative that launched in 2024, is designed to give young people the tools, support, and experiences they need to succeed in school, work, and life. At BGCG, this means meeting today's challenges head-on. By creating high-quality, engaging, and relevant programs, our members have the tools to address mental health challenges, academic struggles, or an uncertain job market. Our goal is simple: every teen should graduate from high school on time, with a plan for their future and the confidence to follow it.

Goals of the Future Ready Program

- **Academic Success:** Helping Club members stay on track, graduate from high school, and be prepared for whatever path they choose.
- **Workforce Readiness:** Giving teens the chance to explore careers, gain hands-on learning experiences, and build the skills employers are looking for.
- **Youth Development:** Building soft skills like teamwork and communication, while offering mentorship and opportunities to pursue personal interests and passions.
- **Organizational Strength:** Ensuring BGCG continues to grow and deliver the highest quality services for the young people who need us most.

What Future Ready Looks Like at BGCG

- **Mentorship:** Connecting teens with mentors and alumni who can share advice, encouragement, and guidance.
- **Financial Literacy:** Programs like Money Matters and Greenwich United Way's Finance Champions that teach smart budgeting, saving, and investing.
- **Post-Secondary Planning:** Personalized support for members considering college, trade school, military service, or entering the workforce.
- **Safety and Well-being:** Providing a safe, supportive environment where all youth can grow and thrive. Programs like SMART Girls and Passport to Manhood build self-esteem.

Why Future Ready Matters

- **Responding to Today's Challenges:** From academic disruptions to rising mental health needs, Future Ready ensures our kids get the support they deserve.
- **Preparing Tomorrow's Workforce:** By giving young people the skills and experiences they need, we're helping them—and our community—build a stronger future.
- **Creating Collective Impact:** As part of a nationwide movement, BGCG is contributing to a shared vision: ensuring every young person has the chance to succeed.

FOCUS ON TEENS

BGCG is investing resources and staff to build more robust and impactful teen programs, recognizing that high school students today face unprecedented academic, social, and career challenges. Our new **Kirkpatrick Family Teen Center** is designed to be a welcoming space where students can gather after school, connect with peers, and access opportunities that prepare them for the future.

From college- and career-readiness workshops in the **Gabelli Family College & Career Center** to mentorship programs, internships, and leadership opportunities, BGCG ensures teens thrive by providing guidance and resources tailored to their needs.

We strive to ensure every teen who walks through our doors leaves with a plan for their future, confidence in their abilities, and the support of a community that believes in them.

A Club Member's Journey

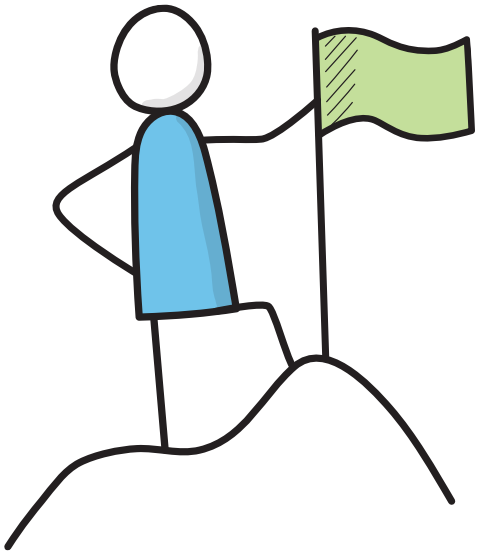

HEALTH & WELL-BEING:
BUILDING A STRONG FOUNDATION

When Maya first came to the Club in 2nd grade, she was shy and unsure about trying new activities. With encouragement from staff, she learned to swim at **Camp Simmons**, joined a **basketball team**, and found joy in daily fitness activities. Along the way, she also learned about nutrition, mindfulness, and caring for her mental health.

THE RESULT

Maya grew stronger, more confident, and built healthy habits that will last a lifetime.

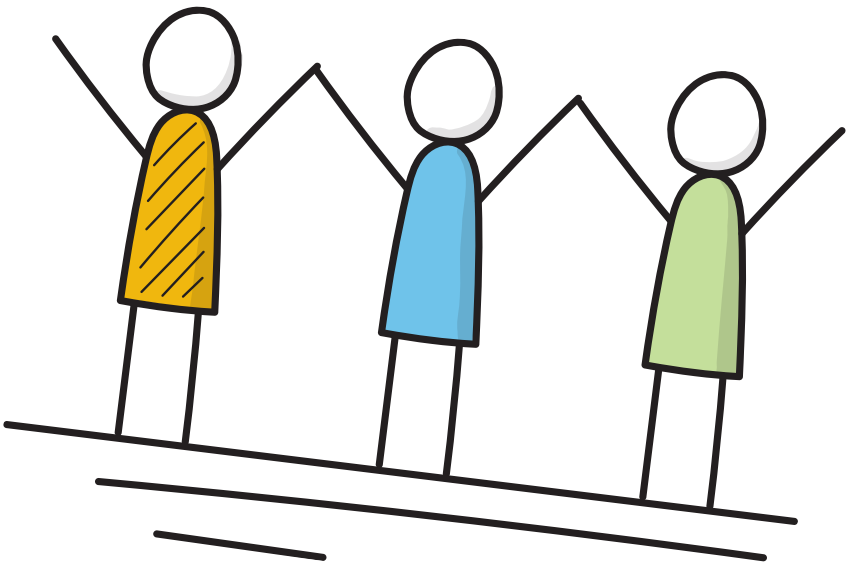

CHARACTER & LEADERSHIP:
FINDING HIS VOICE

Benjamin, a middle schooler, wanted to make a difference. Through **Torch Club** and the **Honor Guard**, he learned the power of teamwork, discipline, and service. He proudly carried the flag at Memorial Day and Fourth of July ceremonies and helped lead a Club-wide kindness project.

THE RESULT

Benjamin discovered his voice as a leader and realized that even at a young age, he could set an example for others.

ONE MISSION, MANY JOURNEYS

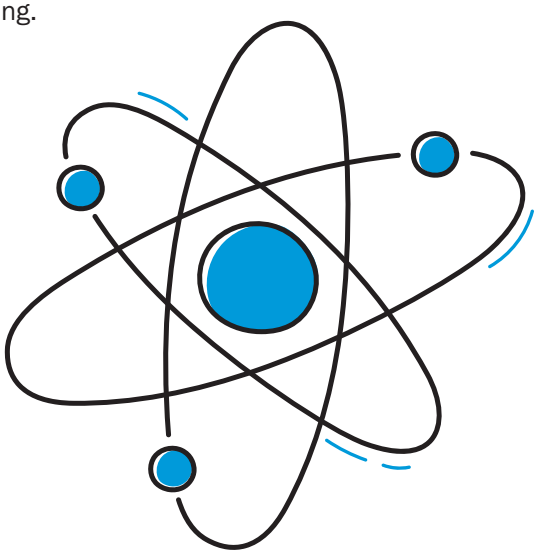

Maya, Benjamin, Isabella, and Aiden represent just a few of the incredible stories that unfold every day at BGCG. Whether it's athletics, leadership, academics, or career readiness, the Club is where kids in Greenwich build skills, find mentors, and shape bright futures.

ACADEMIC SUCCESS:
STAYING ON TRACK

For Isabella, schoolwork sometimes felt overwhelming. At the Club, she found support through **Power Hour**, where staff helped her stay on top of assignments. She joined **Science Fun for Kids**, which sparked her curiosity about how the world works, and received extra one-on-one attention in tutoring sessions when she needed it.

THE RESULT

Isabella stayed on track with her studies, built confidence in the classroom, and learned to love learning.

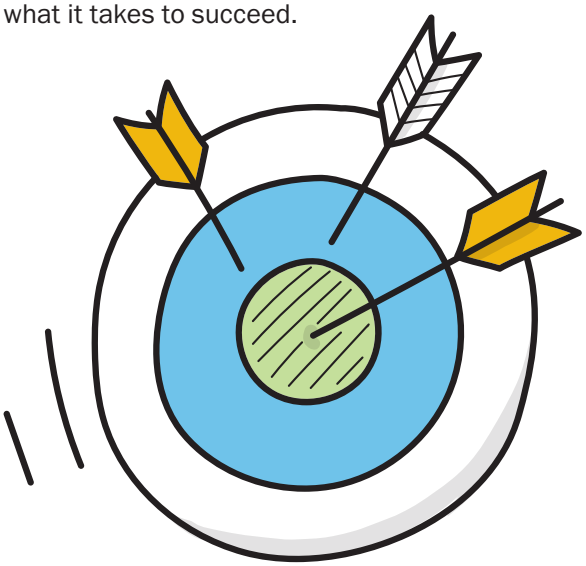

LIFE & WORKFORCE READINESS:
PREPARING FOR THE FUTURE

By the time Aiden reached high school, he was thinking seriously about his future. The Club helped him prepare for college through **SAT Prep classes**, a résumé-writing workshop with **Morgan Stanley** volunteers, and college campus visits that gave him a taste of life beyond high school.

THE RESULT

Aiden graduated with a strong résumé, clear goals, and the confidence that comes from knowing he has what it takes to succeed.

COLLEGE & VOCATIONAL SCHOLARSHIPS:

Turning Access into Opportunity

At Boys & Girls Club of Greenwich, helping teens prepare for the future doesn't end when they graduate high school; instead, it's just the beginning. Our **Life & Workforce Readiness** program naturally dovetails into one of BGCG's most impactful traditions: the **BGCG Scholarship Program**. Each year, the Club awards college and vocational scholarships to deserving members who have demonstrated strong character, academic success, and community leadership.

In 2025, the Club's Scholarship Committee reviewed applications **66 Club members**, meeting personally with each applicant to hear about their commitment to education, involvement at the Club, and dreams for the future. For this group of high school seniors and college students, those qualities led to an **extraordinary $463,500** in scholarship funds awarded through the **BGCG Scholarship Endowment**, the **Wolverine Foundation**, **SVP Global**, and **Resource Foundation** supporting up to four years of higher education for each recipient.

Through career-readiness programs, mentorship, and scholarships, Boys & Girls Club of Greenwich empowers young people to turn preparation into opportunity. It ensures that the lessons learned inside the Club continue to open doors for years to come.

ALUMNA SPOTLIGHT

Damarys Aceituno

When Damarys first joined the Boys & Girls Club of Greenwich at the age of six, no one knew the path she would take. As the years progressed, she was eager to learn, lead, and take advantage of every opportunity that came her way. The Club quickly became her second home—a place where she found mentors, leadership opportunities, and lifelong friendships.

As BGCG's **2021 Youth of the Year**, Damarys stood out with her drive, empathy, and determination to succeed. She went on to attend **Loyola University Chicago**, double-majoring in **Finance** and **International Business**, and even studied abroad in Paris to expand her understanding of global markets.

Through the Club's **SVP Scholarship Program**, Damarys earned a competitive internship with **Strategic Value Partners**. This experience fueled her passion for finance and gave her a firsthand look at the professional world. Then, she further honed her skills as a **Summer Analyst at Fortress Investment Group**, gaining valuable insight into financial modeling and investment strategy.

Today, Damarys continues to grow as a young professional and community leader, always carrying with her the values she learned at the Club: hard work, gratitude, and giving back. Her story reminds us that **when youth are given the tools and access to opportunities, they can achieve incredible things**.

ALUMNUS SPOTLIGHT

Kevin Duffy

Kevin joined the Boys & Girls Club of Greenwich as a six-year-old with big dreams and a heart for helping others. Through his years as a camp counselor, lifeguard, and Assistant Camp Director, he became a trusted mentor to younger members, leading by example with kindness and purpose.

Kevin's journey from the Club to the classroom reflects the power of dedication and opportunity. After graduating from **Fordham University with honors** in **Cell and Molecular Biology**, Kevin joined **Teach for America**, where he spent two years teaching middle school science in Newark, New Jersey, using his love of learning to inspire the next generation.

Now pursuing a Master's degree in Medical Sciences at **Brown University's Warren Alpert Medical School,** Kevin is on his way to becoming a pediatric physician. He's also gained valuable experience at **Memorial Sloan Kettering Cancer Center,** shadowing medical professionals and deepening his understanding of patient care.

Kevin's success story reflects what the Club strives to instill in every member: leadership, compassion, and a lifelong commitment to making a difference. At BGCG, Kevin learned teamwork, perseverance, and service, which continue to guide him as he prepares for a career dedicated to helping others.

Future Ready Starts with Summer

This summer, **Camp Simmons** and **Teen Camp** gave nearly 650 youth the chance to explore, learn, and grow in ways only summer can provide.

At Camp Simmons, magic was everywhere, from woodland trails to lakeside adventures. Campers hiked shaded paths, kayaked and canoed across the pond, and discovered local wildlife while learning water safety and conservation. Creative energy thrived in daily art classes, where campers painted, sculpted, and found inspiration in nature. **Summer Brain Gain** kept minds active with reading and hands-on science experiments, thanks to special visits from the **Bruce Museum**. Fridays brought a favorite tradition — our Celebrity Chefs — as surprise guests took over the grill to serve up delicious camp cookouts.

At Teen Camp, fun met purpose. Older campers built leadership skills through workshops, teamwork challenges, and exciting field trips. From water parks and mini golf to bowling and beach outings, every day was packed with opportunities to connect, build confidence, and create unforgettable memories. Bus rides became part of the adventure, where laughter, friendship, and shared experiences made the journey as meaningful as the destination.

Together, these camps provided a safe and supportive place where kids and teens could thrive, build skills, deepen friendships, and experience the joy of summer. And the best is yet to come: in summer of 2026, we'll welcome even more campers when **Clubhouse Camp returns to our beautifully renovated facility**.

There's more magic ahead!

2025 SUMMER CAMP BY THE NUMBERS

585
Camp Simmons campers

90
campers attended all 8 weeks of camp

25
counselors in Training *(CITs)*

58
Teen Camp campers

8
weeks of Camp

$102,100
in campership discounts

26%
of all campers received some level of reduced fees

40+
field trips and outings for Teen Camp

12,258
steps, Teen Camp Director Ryan Accurso walked on the Lake Compounce field trip

325
new books donated for Summer Brain Gain reading

240+
hours Mike Gerald spent giving watercraft instruction on the lake

10,502
ice pops eaten by campers and staff

43
6-year-olds learned to swim across the deep end of the pool

hours of STEM instruction by Bruce Museum educators

23
gallons of paint used in art projects

668
campers made memories to last a lifetime

Building a Future Ready Clubhouse

BGCG Staff and Board celebrate the opening of the Rebecca S. Breed Clubhouse

BUILDING **GREAT** FUTURES
A CAMPAIGN FOR THE YOUTH OF GREENWICH

2021	2021-2023	September 2023-June 2025	October 2023
Needs assessment and planning	Preparation for Capital Campaign fundraising and construction	Programs held at five satellite locations	Groundbreaking Ceremony with Governor Ned Lamont

Because youth development is at the heart of everything we do, it was time to create a space that not only supports today's programs but also prepares our members to be future-ready, equipped with the skills and confidence to thrive in a rapidly changing world.

Breaking Ground on Transformation

In October 2023, Boys & Girls Club of Greenwich broke ground on the most significant transformation of our facility in 20 years. Joined by Connecticut Governor Ned Lamont and the Greenwich delegation, BGCG CEO Cristina Vittoria marked the beginning of a bold new chapter — one that would strengthen our foundation for generations to come.

A Legacy of Impact

For more than a century, our Clubhouse has been a second home for Greenwich youth. Originally built in 1939 and renovated in 2002, the building had served countless children but no longer met the demands of today's innovation-driven programs or technology. The vision was clear: modernize the Clubhouse into a vibrant, flexible environment where young people can explore STEM, build leadership skills, pursue wellness, and discover passions that will fuel the careers of tomorrow.

Keeping the Mission Alive During Renovation

During the two-year renovation, BGCG's mission never paused. The Club operated from five satellite locations across town, ensuring that programs — from academics to athletics to leadership — continued seamlessly. Staff worked tirelessly in borrowed classrooms, gyms, and community spaces, serving hundreds of children each day. That commitment kept the Club's spirit and sense of belonging alive until we could reunite under one roof.

A Grand Reopening for a New Era

On September 8, 2025, that moment finally arrived. The first buses pulled up to the newly expanded Clubhouse, and more than 400 excited children poured through the doors, discovering a space that felt both familiar and full of new possibilities. Three weeks later, over 250 guests — donors, families, alumni, and community leaders—gathered for the official ribbon-cutting celebration, marking the completion of a project that expanded the facility from 50,000 to 63,000 square feet.

January 2024

Senator Richard Blumenthal, Senator Chris Murphy, and Congressman Jim Himes tour the facility

November 2024

Building Great Futures Supporters

Powered by Community Generosity

This milestone was made possible through the extraordinary generosity of our supporters. Their belief in our mission turned a long-held dream into reality. The project was not just an investment in a building, it was an investment in the future readiness of every child who walks through our doors.

Supporters

We want to express our deepest gratitude for the generous support of the Boys & Girls Club of Greenwich's capital campaign, **Building Great Futures**. Our community's commitment to our vision has laid the foundation for a brighter future for our youth.

Jim Clark, President & CEO of Boys & Girls Clubs of America, Cristina Vittoria, CEO of BGCG, Ellen, Eliza, and Alan Breed

JOIN US!

The goal of the capital campaign to renovate and expand the Clubhouse was $28.5 million. With more than 85% raised to date, we are close to meeting this goal and welcome supporters who wish to help us close the gap and fully fund this project.

To learn more about our progress, naming opportunities, and discuss your gift, please contact **Emily Wakeling** at **ewakeling@bgcg.org** or **203-253-0384**.

BUILDING GREAT FUTURES
A Campaign for the Youth of Greenwich

Welcome Home!

SEPTEMBER 2025

September 2025 was a month of celebration at Boys & Girls Club of Greenwich. First, excitement filled the air as hundreds of youth poured off school buses and back into the Rebecca S. Breed Clubhouse for the first time in two years. Later that month, the community came together for a ribbon-cutting ceremony, where donors, officials, alumni, and families joined to mark the official reopening of the newly expanded and renovated facility.

Thank You to Our Donors!

Boys & Girls Club of Greenwich depends on the generosity of contributions to provide the wide range of programs and services to its members. We are proud to list the names on these pages of those who provided operational support by making a donation during this fiscal year.

GIFTS FROM JULY 1, 2024 – JUNE 30, 2025

These contributions do not include gifts to the Building Great Futures capital campaign.
Please see pages 14-15 for a list of capital campaign donations.

Annual Benefit

SEPTEMBER 6, 2024

The 2024 Boys & Girls Club of Greenwich Benefit, **Black & White Ball**, was a spectacular evening honoring the Club's commitment to empowering and supporting Greenwich youth. Held at the beautiful Belle Haven Club, with its breathtaking views of the water, this elegant soirée brought together friends, supporters, and advocates to support our mission and the impact we have on the lives of young people.

The evening's success would not have been possible without our dedicated **Benefit Co-Chairs — Mary Garth, Erin Glasebrook, and Ashley McCormick** — whose vision and commitment brought to life an event of timeless elegance and meaning.

We are deeply grateful to our attendees, sponsors, and Board Members for their generosity and support. Your contributions play a critical role in helping BGCG provide life-changing programs and opportunities for the young people we serve every day.

Thanksgiving Feast

NOVEMBER 26, 2024

With the Clubhouse under renovation, the **22nd Annual Thanksgiving Feast** was held in the welcoming halls of Christ Church, where a few hundred Club youth and staff gathered to celebrate gratitude and community. The festive atmosphere was made even more special by the presence of local community leaders and members of the Club's Board of Directors, who graciously served a traditional Thanksgiving dinner. The event was a true reflection of the spirit of the season and the strong bonds that connect the Club to the Greenwich community.

This much-anticipated gathering was generously provided by: Sageview Capital, TD Securities, The Hilton Family, Titan Advisors, A&M Capital, ACME Markets, Axiom Investors, Creamer Landscaping & Lawn Care, Aux Delices, Stew Leonard's, and BJ's Wholesale

Pancake Breakfast

DECEMBER 7, 2024

Hundreds of Club kids and families gathered at Christ Church for a festive morning with Santa, flipping through holiday wish lists over towering stacks of pancakes. With the Clubhouse under renovation, the holiday spirit was alive and well thanks to our generous hosts. Board Members manned the griddles, serving warm pancakes and sizzling sausage to a crowd that kept coming. Volunteers brought the cheer with creative crafts and over-the-top face painting, leaving everyone smiling.

A special thank you to our sponsors: An *anonymous donor* and *Creamer Landscaping & Lawn Care*.

Holiday Party

DECEMBER 11, 2024

Holiday magic was in full swing at the **Kids Holiday Party**! Thanks to an incredible group of generous volunteers, our kids were treated to a festive celebration filled with joy and togetherness. From thoughtful gifts to a room brimming with holiday treats, creative crafts, heartfelt card-making, and camaraderie, every detail made the afternoon unforgettable. A heartfelt THANK YOU to the fantastic volunteers who keep this cherished tradition alive year after year. Your kindness and dedication bring so much joy to our Club kids!

Swim-a-Thon

FEBRUARY 4, 2025

While our Clubhouse was under renovation, alumni and our incredible **Barracudas Swim Team** members filled the pool at Greenwich Catholic School, swimming more than 1,100 laps at our **19th Annual Swim-A-Thon**! Thanks to swimmers, sponsors, and donors, our community's youth will continue to have fun learning the fundamentals of swimming and water safety, including swim team fun, thanks to the more than $13,000 we raised to support these programs! Special thanks to **The ZAC Foundation** for their generous sponsorship and support!

Youth of the Year

APRIL 3, 2025

The 57th Annual Youth of the Year Celebration brought together more than 400 guests for an unforgettable evening honoring the incredible young people and devoted supporters of the Boys & Girls Club of Greenwich. Held at the Hyatt Regency Greenwich while our Clubhouse was under renovation, the event reflected the strength and spirit of our community.

We proudly named Calijah Joseph as the 2025 Youth of the Year, recognizing his leadership, academic excellence, and commitment to service. Hector Rodriguez was honored as Junior Youth of the Year, and Sydney Niemynski received the David Ogilvy Award for Character, Kindness, and Integrity.

The Club also celebrated **George Fox as our 2025 Champion of Youth** for his decades of leadership and hands-on dedication, and **Barbara and Joe Havranek as our Community Impact Volunteers** for their tireless support.

All 11 Youth of the Year finalists — Yasmine Bruce, Daniela Hernandez, Haamed Hussaini, Leif Ryder King, Alexa Marical, Joell Molina, Michael Mamani, Sydney Niemynski, Salome Raigoza, Taylor Tejada, and Calijah Joseph — inspired us with their stories of resilience, growth, and leadership.

It was a meaningful night that highlighted the Club's transformative power.

We appreciate the generosity of our sponsors:

CHAMPION SPONSORS
The Kirkpatrick Family and Titan Advisors

VISIONARY SPONSORS
Longitude Capital, Newmark, and Parkman Healthcare Partners

ACHIEVEMENT SPONSORS
The Ashforth Company/A.P. Construction Company, Axiom Investors, CBIZ, E-J Electric Installation Co., Fairfield Electric, Inc., Iron Triangle, Mutual of America Financial Group, and The ZAC Foundation

FLORAL SPONSOR
McArdle's

MEDIA SPONSOR
Greenwich Magazine/Moffly Media

We would also like to thank our table and ticket buyers, without whom this event would not have been possible.

Awards Night

MAY 16, 2025

The Boys & Girls Club of Greenwich proudly hosted its **57th Annual Awards Night**, honoring the extraordinary accomplishments of its youth and the dedication of those who support their journey. Held in a spirit of joy and pride, the evening united families, community leaders, and Club supporters in celebrating the achievements that define the Club's mission: to empower young people to be responsible, caring and productive community members. Among the standout honorees were members of the **Spring Travel Basketball Team**, who earned the title of **2025 Boys & Girls Clubs of Connecticut State Champions** and also secured the Western Division title.
