* 2018 National Youth Outcomes Initiative, Survey of BGCG Members

DEAR BGCG FRIENDS & FAMILIES,

It is possible to measure the vibrancy of a day by the ways in which our youth and program staff are meaningfully engaged. Great organizations are about their people and the chemistry created among them. At Boys & Girls Club of Greenwich, we have the perfect combination of elements to provide the best programs for the youth of our community. Our Club members and staff accomplished great things this past year. These are some of the highlights that help define BGCG:

- Enjoying an increase in participation by high school members, our support of **college preparedness** grew, as well. From SAT prep classes to college campus visits, the year crescendoed with the announcement of a **\$1 million gift by the Breed family**, over ten years, to support college scholarships.
- “Shining brighter above all the other prospects,” BGCG’s Ashley Culver and Camryn Ferrara were named the **2018/2019 Torch Bearers of the Year** by Boys & Girls Clubs of America. Sequentially, the Club’s **National Seeds of Kindness** toiletries drive won first place for the Torch Club’s project that collected 10,000 toiletry items that were distributed to several local agencies who serve those in need.
- In partnership with local organization Kids in Crisis, BGCG received a grant from **Impact Fairfield County** resulting in a program called ClubTalk that places a Masters Level Social Worker on site at the Club. This initiative is an opportunity to **improve the lives of our youth and their families** with issues that arise that impact the health and well-being of our members.

The 2019 Annual Report highlights the vital work we do daily with our members to make a positive impact on their lives through our three identified priorities: Academic Support & Enrichment, Character Development, and Healthy Lifestyles. Since 1910, we have provided the youth of Greenwich a safe place to call their home away from home. We give invaluable support and peace of mind to working parents. We’re a force for good in our local community, offering a positive solution to the growing problem of ensuring every family has access to a safe, reliable, fun place for their kids to go when their parents are working. We remain committed to being the place where youth go to find their greatness.

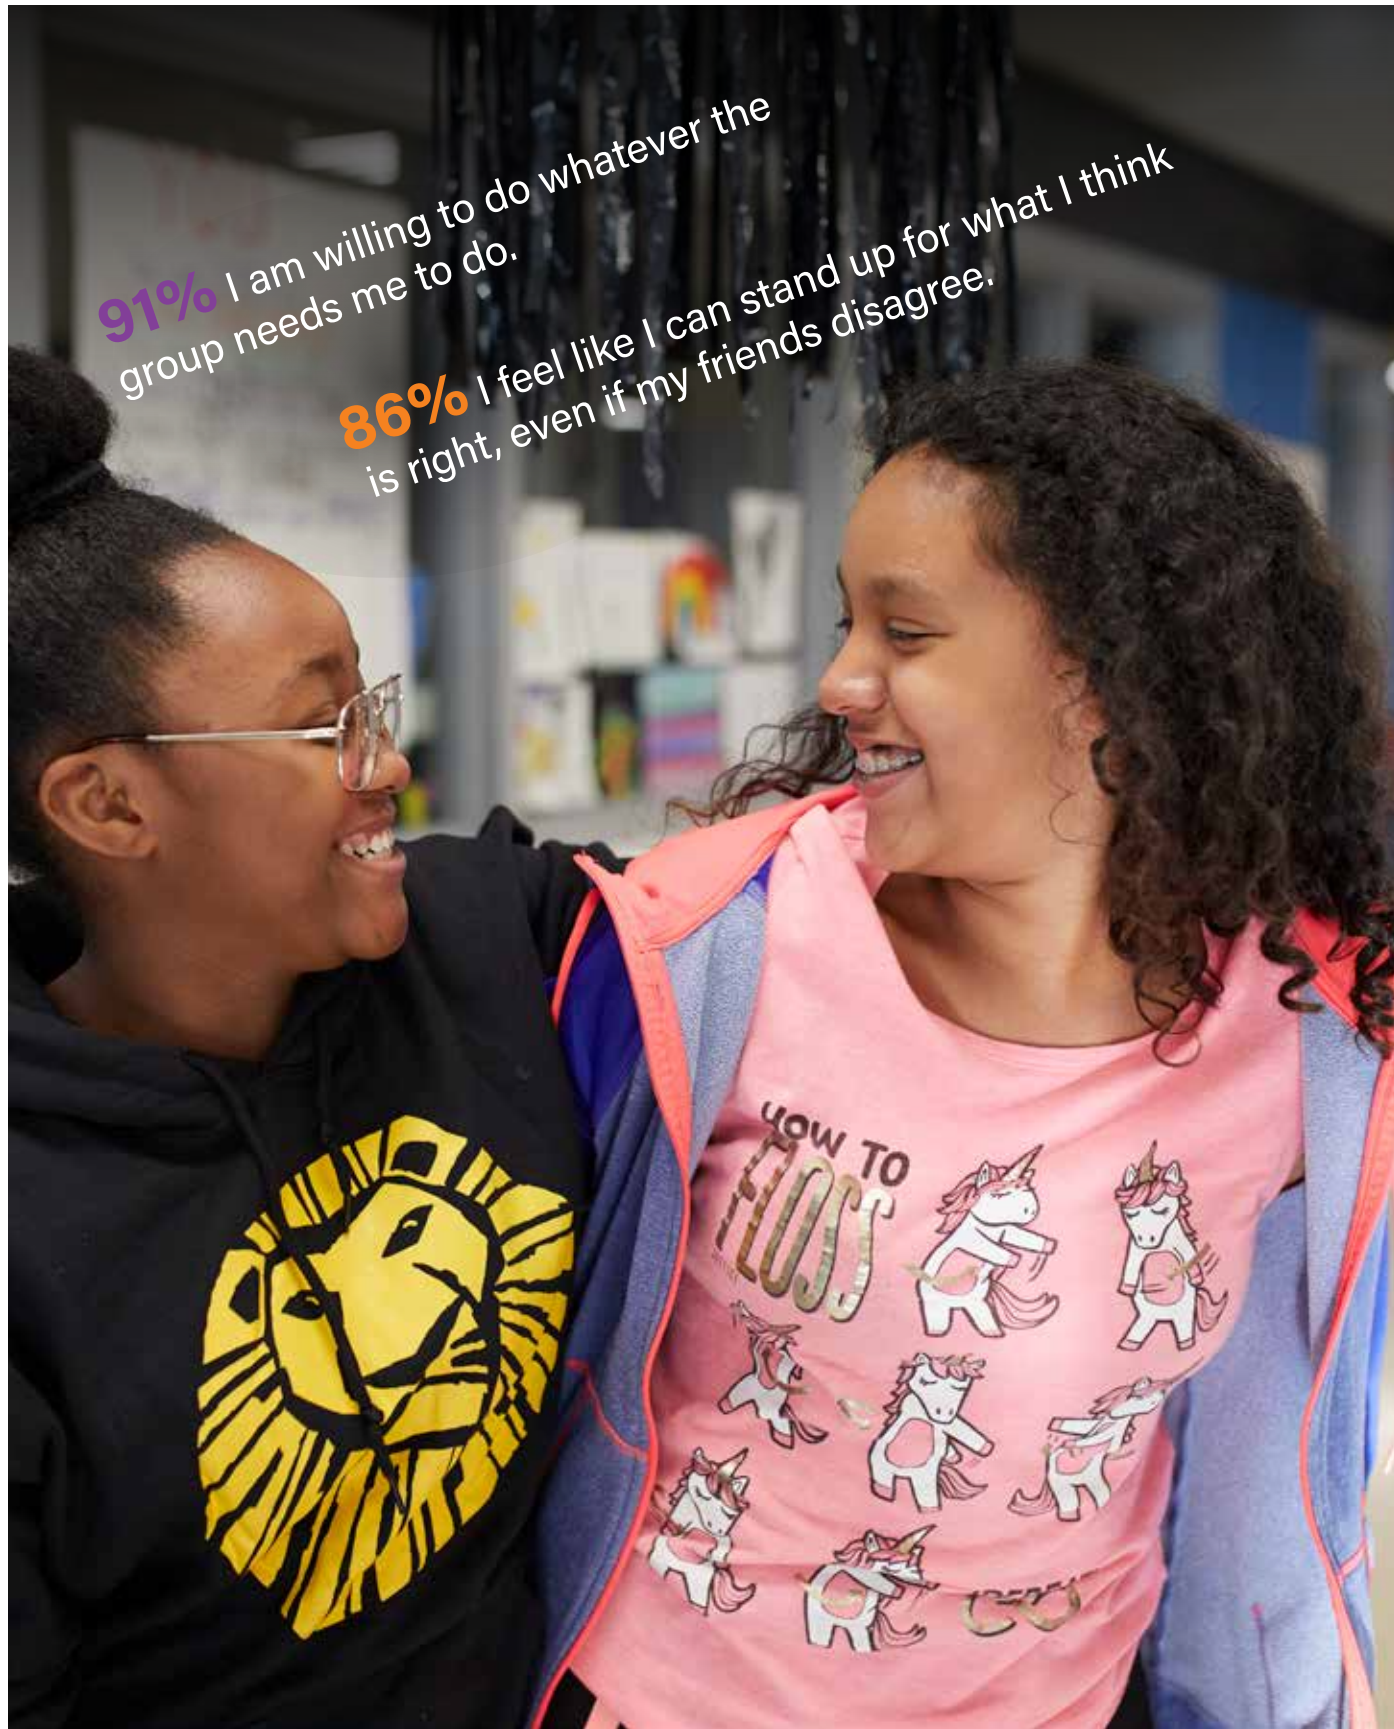

Throughout this report you will see a collection of statistical impact statements that reflect the positive effects of our program. Your commitment to BGCG ensures that each child who comes through our doors will realize his or her full potential as an individual and a member of a greater community.

As we reflect upon the past year, we are proud of these accomplishments, none of which could have happened without our dedicated staff, Board of Directors, volunteers and the generosity of you — our supporters. This is an exciting time to be a part of the BGCG community, and we are grateful to each of you for your unwavering support of the Boys & Girls Club of Greenwich. Thank you.

With deepest gratitude,

Bobby Walker, Jr.

19 volunteers from Greenwich United Way's Reading Champions worked on reading enrichment with **43 Club members**. BGCG hosts the largest Reading Champions group of volunteers in Greenwich.

DID YOU KNOW?

Among high school Money Matters participants with spending money, more of them reported starting to **save money** (79%) and sticking to a budget plan (43%), once they completed the program.¹

An evaluation of Boys & Girls Clubs' Project Learn found that engagement in reading, verbal skills, writing, tutoring and geography **all significantly increased** as program involvement increased.²

A Yale University study of after-school participation found that children who were in the highest category of after-school program attendance had **significantly higher reading achievement** than children in all other care arrangements (parent, sibling/self-care or some combination) while children at lower levels of participation outperformed children in only some of the other care arrangements.³

FEATURED PROGRAMS & ACTIVITIES

POWER HOUR, a homework-help program, encourages members to become self-directed learners through daily homework help and tutoring.

SUMMER BRAIN GAIN is comprised of one-week modules with fun, themed activities for elementary, middle and high school students that are aligned with common core standards. In addition, Summer Brain Gain: Read!, a literacy program, complements the larger Summer Brain Gain curriculum.

MONEY MATTERS, a financial literacy program in partnership with Charles Schwab, promotes financial responsibility and independence among Club members ages 13-18. Participants learn how to manage a checking account, create a budget, save and invest, start small businesses and pay for college.

FEATURED PROGRAMS & ACTIVITIES

HONOR GUARD, for boys and girls ages 8-16, performs at community events throughout Greenwich such as the Old Timers Dinner, high school sporting events, Memorial Day, September 11 memorial events and Fourth of July ceremonies. Members learn teamwork, leadership and character development through this time-honored tradition.

KEYSTONE CLUB, for boys and girls ages 14-18, provides opportunities to participate in regional and national conferences. Keystone members elect officers, and plan and implement their own activities in six areas:

- Service to Club and Community
- Character Development
- Leadership
- Unity
- Free Enterprise
- Social Recreation

TORCH CLUB, for boys and girls ages 11-13, is a powerful vehicle that helps the Club staff meet the needs of younger adolescents. Torch Club members elect officers, and work together to plan and implement activities based on four criteria:

- Service to Club and Community
- Education
- Health and Fitness
- Social Recreation

Character Development

BGCG MEMBERS BUILD CHARACTER while being taught to be productive, caring, responsible citizens through our high-quality programs and a supportive staff who model good behavior. In addition to fostering accountability, we also help young people develop leadership skills, a sense of civic duty and an understanding of the value of giving back to their communities.

2018-2019 BGCG'S RESULTS

83% of BGCG teens volunteered in their neighborhood.

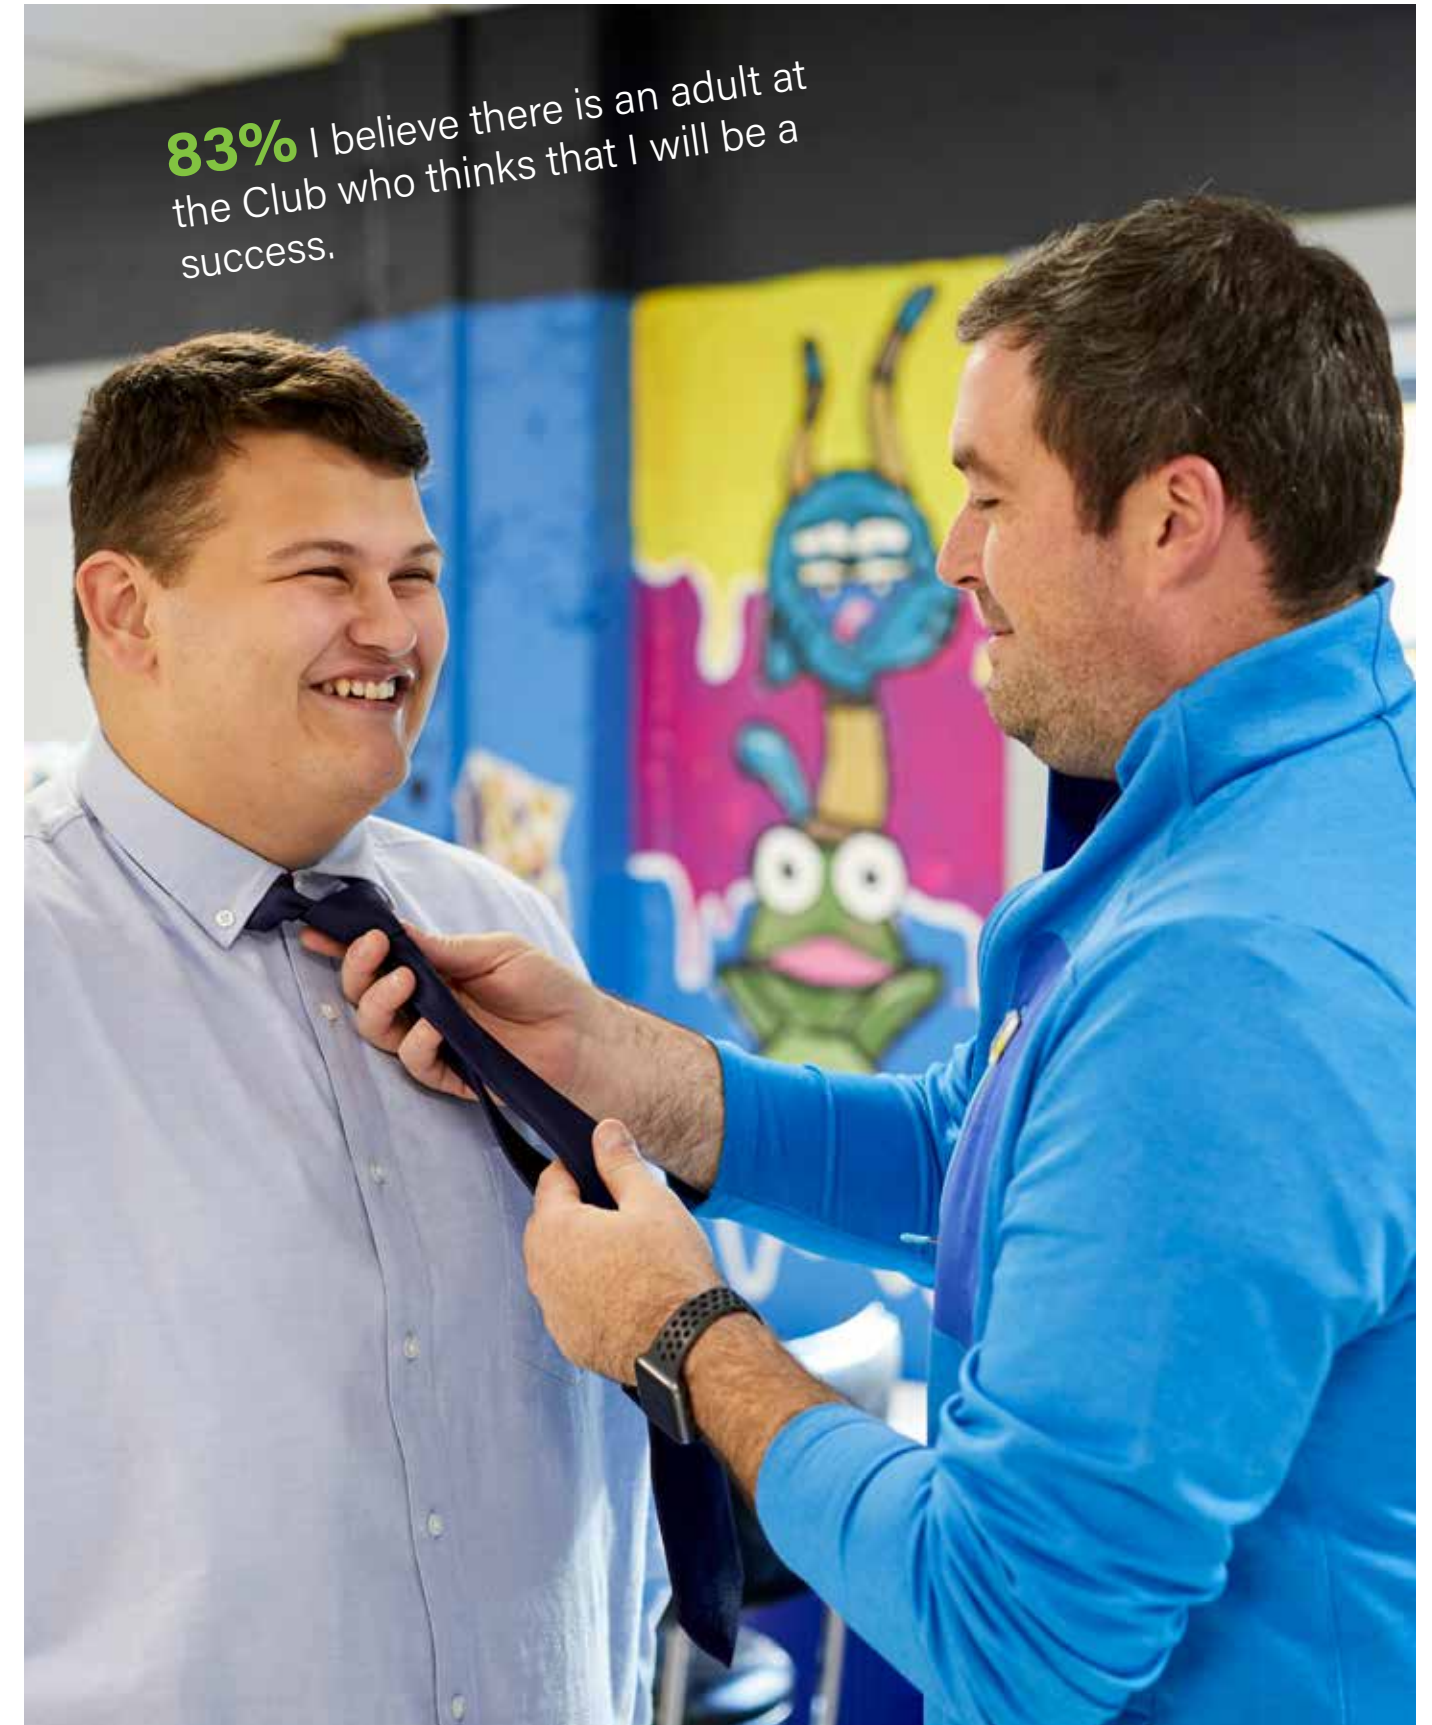

Members of our community service clubs, Torch and Keystone, contributed 939 hours volunteering in the community.

BGCG's Torch Club won the 2018/2019 National Seeds of Kindness Project, collecting and donating an estimated 10,000 toiletry items to eight local nonprofit agencies.

DID YOU KNOW?

Young people who volunteer or are members of a civic or service organization are **27% more likely to find work**, because of strengthened professional and social networks and growth in confidence and sharpened skills.⁴

60% of hiring managers see the act of volunteerism as a valuable asset when making recruitment decisions.⁵

83% I believe there is an adult at the Club who thinks that I will be a success.

BGCG served **61,851** healthy snacks to children this year.

Healthy Lifestyles

BGCG TEACHES MEMBERS to make and model healthy physical, social and emotional choices. We do this by providing safe spaces for members to practice healthy decision making, participate in physical activities, and engage in programming designed to promote social-emotional well-being.

2018-2019 BGCG'S RESULTS

73 children, who would otherwise go hungry, received meals to take home through Filling in the Blanks.

BGCG youth are more likely to consume five or more fruits or vegetables per day than their peers.

52% BGCG Members
18% National ⁶

More than half of BGCG members are physically active for at least 60 minutes, five or more days per week.

435 children learned to swim at BGCG.

DID YOU KNOW?

Children's **intake of fruits, vegetables and milk** increases after observing adults consuming the same foods. ⁷

Physical activity in young people improves their control over symptoms of anxiety and depression. Similarly, participation in physical activity can assist in the social development of young people by providing opportunities for self-expression, building self-confidence, social interaction and integration. It has also been suggested that physically active young people more readily adopt other healthy behaviors (e.g. avoidance of tobacco, alcohol and drug use) and demonstrate higher academic performance at school. ⁸

FEATURED PROGRAMS & ACTIVITIES

GARDEN TO TABLE was offered as part of a grant where Eversource employees installed a collection of raised beds that overflowed with tomatoes, peppers, eggplant, zucchini, parsley, basil and oregano. As part of the Club's focus on healthy lifestyles, the garden was harvested for salads that members helped prepare and eat.

CHOPPED JUNIORS, a hands-on cooking and nutrition education class for members in grades 6-8, introduces youth to the pleasures of preparing and enjoying "real food" that is both nutritious and delicious. Members learn basic cooking skills and cook with different ingredients to create signature dishes.

BARRACUDAS SWIM TEAM, celebrating 80 years, is a part of the Westchester/Fairfield Swim League, competing at Saturday swim meets. Swimmers attend three days of practice each week and are proficient in four competitive strokes: freestyle, backstroke, breaststroke and butterfly.

Benefit Chairs, sponsors, committee members, table hostesses, dinner guests, Keystone members and volunteers, collectively helped the Club raise over \$500,000 to keep Greenwich youth safe and productive after school.

9.30.18 MUDDY UP 5K

Event Chairs for this 7th Annual event led an incredible team of volunteers who organized an excitingly sloppy course complete with a ton of obstacles for over 700 happy, and very muddy runners.

Boys & Girls Club of Greenwich depends heavily on contributions to provide an extensive range of services to our members who pay a modest annual membership fee. We are proud to list the names of our supporters on these pages. Their generosity helps build great futures for BGGC's members. THANK YOU!
